## OBITUARY.

Mr. A. H. Mitchell, father of Mrs. Wm. Hukill, Sr., of this place, died at Middletown, this State, near Louisville, Sunday morning. The deceased was in his ninety-first year. He had been in feeble health for several years, and death came as welcome relief from his sufferings. Mrs. Hukill left yesterday morning for Louisville.

In this city, yesterday morning, of Bright's disease, in the forty-eighth year of his age, Dr. John Bowen.

Dr. Bowen had been a long sufferer from this dread disease. He was a man of steadfast purpose and firm in his convictions, and it was this firmness that enabled him to fight the disease and to keep upon his feet so long, when others would have succumbed. Recently when Paris was threatened with an epidemic of smallpox, he rose from his sick bed, and, as President of the County Board of Health, superintended the fight against the spread of the disease, and it was to the strong fight he made, more than to any other cause, that Paris was saved from an epidemic of that frightful disease.

As a physician he had no superior in this community. He was considered a most valued adviser, and was regarded as a friend by every one of his brother physicians.

He leaves a wife and one son, to whom the tender sympathies of the entire community are extended.

The funeral services will be conducted by the Masonic Fraternity, of which the deceased was a valued member, at the residence of Mrs. Lou Ireland, on Duncan avenue, this afternoon at 2:30 o'clock. The remains will be taken on the 3:30 train to Columbia, Tenn., for interment.

Dr. Bowen came to Paris from Columbia, Tenn., several years ago, forming a partnership and securing a fine practice with Dr. Frank Fithian. Since residing in Paris Dr. Bowen married Miss Annie Mayes, of Columbia.

Dr. Bowen carried a \$12,000 life insurance policy.

## Drowned.

Edward Rhorer, aged twenty-eight, and Herman Trost, Jr., aged nineteen, both of Lexington, were drowned while bathing at Elk Lick Falls, on Kentucky River on Sunday. This is said to be a very dangerous place, and no less than seven persons have lost their lives at this point.

They had gotten to a point above the pump station, and Bronston was telling the boys how gently he would have dealt with that Owen delegation, when up came a five-pound bass from the bosom of the stream and landed in the bosom of Walter. Walter accepted the bass' credentials and declared him the nominee.—*Lexington Leader*.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of greatest durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, July 26, 1900. Hello, 170.
